SHONTO BOARDING SCHOOL
1979

DEDICATION

If you come to Shonto in the summer, you will find merely a cluster of buildings standing vacant and desolate . . . empty, silent halls . . . a few lonely teachers working in deserted classrooms. For Shonto without the students is like a wilderness - without life, without spirit, without joy. It is the students who make the halls echo with their bubbling laughter, who fill the classroom with their energy and vivacity, and who light up their teachers' lives with their teasing questions and eagerness to know.

It is to these young men and women who have enlivened Shonto for the past nine years that we dedicate this book. In remembrance of your past achievements and your lively spirit, of victories won and lessons learned, and in anticipation of your future accomplishments, we dedicate this annual to the class of 1979.

THE SHONTO COMMUNITY

Almost every day members of the Shonto community are seen in the hallways of the school - parents coming to check on the students, school board members or chapter officers here for a meeting, or foster grandparents helping with school activities.

It is on these special days, days when large numbers of people converge upon Shonto from all directions, that the spirit of the community is most evident. These special days are registration day, Thanksgiving, Christmas, Tribal Leaders' Day, and graduation. At these times the parking lots overflow with pickup trucks, and young boys and girls rush to greet their school-age brothers and sisters. This is when the older people come to Shonto to see if the grass is still green and to check on the younger generation. They remind us of the traditional ways that provide stability in the lives of Navajos.

These visitors reflect the continual concern of the local people with school affairs. It is the support and cooperation of all the community people which enables Shonto to operate so well.

In Memory of a Dedicated "Super Star"

Richard Yazzie, a Shonto record holder in cross-country, departed his life on November 4, 1978.

Richard closed out his superb '78 season in a "super star" fashion by winning first place in the following meets:

(1.) First place against Tuba City Public
(2.) First place against Tuba City Boarding
(3.) First place against Page
(4.) First place against Kaibeto
(5.) First place Kayenta Public
(6.) First place against Kayenta Boarding
(7.) First place against Chinle Boarding

Richard also participated in Tuba City Boarding School invitational track meet. In this meet, there were approximately 80 runners, a combination of boarding and public school students. At this meet, Richard took second place. He led all the way up until his fall which was approximately 100 yards from the finish line. This fall made the whole difference between first and second place. Therefore, it is perfectly clear who was the "super star" of all meets.

Both the head coach, Rufus Young, and the assistant coach, Roy Lee, felt that Richard, with his talent and dedication, would have been one of the greatest runners to come out of the state of Arizona. Although he is deceased, there must be more Richard Yazzies in this school to discover.

Troop 237 looks forward to an aquatics program at Tuba City Pool, a trip to Black Mesa Coal Mine, an agency Camp-O-Ree with some visiting Scouts from Oklahoma, and a one week summer camp program. Some of our Scouts are hoping to go on the Western Navajo Agency summer trip.

Girl Scout troop 497 is working on badges. Some of the badges they will be working on are the Trefoil, the Dabbler, Indian Lore, the Observer and Housekeeping. The girls' service project this year was making puppets for a Brownie troop. There are several hikes and an overnight planned. The girls have also enjoyed several parties throughout the year.

The Scouting program at Shonto is growing. The Girl Scouts, Boy Scouts, and Brownies have been expanding. Three new groups have been added this year. These include a Cadette troop for the older girls, a Cub Scout Pack, and Explorer Scouts.

IN MEMORY

Ten years ago, approximately, Dan Turner became a "Christmas Legend" at Shonto. He was most well-known as "Santa" at our Christmas parties, sponsored by "Project Love." Mr. Turner spent many hours packing, and distributing gifts and treats to the children of Shonto.

He left us in June, to play Santa no more. He will always be remembered by all as "Santa."

Santa gives hugs as well as gifts.

The children wait anxiously to see what's in Santa's bag.

"Have you been a good girl?"
